The workshop's goal is to address specific issues on the implementation of G.O. 69C. All participants should be prepared to identify and discuss specific examples of issues that are raising concerns with the use of the general order. For example, several recent rulings have raised questions regarding the General Order's requirements that it be used for circumstances that are limited, revocable, and do not interfere with existing utility activities. The workshop will cover these plus other issues identified by workshop participants.

Participants are welcome to propose recommendations that they believe will clarify the implementation of G.O. 69C, but do not interfere with the intent of the General Order.

The contact person for this meeting is Ken Lewis at (415) 703-1637 or (KL1@CPUC.CA.GOV.).

**San Francisco**

In view of the comments the Commission has received on the Draft Resolution E-3711 issued March 3, 2003 by the Energy Division, we are calling a workshop to discuss the extent and form of any consumer electronic billing.

We will focus on the electronic billing programs being proposed for residential and small commercial customer, and associated consumer protection measures. We will also ask for explanations of the current billing practices for direct access customers and core aggregators, and of any changes in those practices that are being considered by the public utility corporations. Southern California Edison (Edison), Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southwest Gas (Southwest) should bring proposals for implementing electronic billing, for any consumer protection measures that may be necessary or useful, and for resolving differences they may have with the recommendations set forth in Draft Resolution E-3711. Other parties may also bring proposals.

This workshop is open to all parties. If parties other than PG&E, Edison, SDG&E, and Southwest plan to attend and make proposals, they should contact Maurice Monson of the Energy Division. Please address any questions on the workshop to Maurice Monson at (415) 703-3072 or by e-mail to ([mdm@cpuc.ca.gov](mailto:mdm@cpuc.ca.gov)).
